You will be taught the choreo and you will dance it back, we are looking for choreo pickup, facial expressions, excitement and overall attitude.

If you have friends, family, etc who are interested in Hip Hop competition dance, they are welcome to try out as well, this is open to all dancers.

\*\*\*Approximate cost for competing (not including tuition for 2 mandatory classes) ranges from \$645 to \$845. This may include 3-4 competitions, a convention (if feasible), crew outfit and crew jacket. There will be mandatory events that crew members will be asked to perform in as well throughout the year.

In addition, there are the standard studio fees, such as: annual registration fee, recital 2nd costume cost for technique class and recital fee.
